We must March for Social Justice in Kalamazoo and  
**SPEAK OUT AGAINST RACISM!**

**The Micah Project Unites Kalamazoo**

**across religious, gender, race, income and any other barriers that  
separate our community to seek justice and create a level playing field  
for all!**

---

What good is the Kalamazoo Promise if our children can not get accepted into colleges  
where there is no Affirmative Action?

Why are our young people being railroaded into the criminal system instead of prepared  
for and sent away on trains to go to college?

Whose children do you think this city is expanding the juvenile home for?

Who do you think this city is expanding the county jail to accommodate?

We must come together and stand as a community for Justice and Equality now!

**The Micah Project (TMP)**

was formed under the inspiration of the Prophet Micah in his charge that we are to “*love  
mercy, seek justice, and walk humbly with our God. Micah 6:8*” The Micah Project  
seeks to walk with man before God to seek justice. The Micah Project will provide  
services to individuals seeking justice as a result of having their civil rights violated.
